

# RICE PAPER TAPE

## Technical Data Sheet

**Support:** Japanese rice fibre paper evenly coated with pressure sensitive acrylic adhesive.

**Colour:** Orange.

Innovative adhesive product. Rice fibre paper brings high resistance to UV rays and high temperatures up to 180 ° C.

Adhesive properties	Values	Method
Thickness	0.08mm	JIS-Z-0237
Tensile strength	3.5 Kg/ 12mm	JIS-Z-0237
Elongation	5%	
Adhesion (180°C Peel)	130g /12mm	JIS-Z-0237

## APPLICATIONS:

- Automotive industry.
- Outdoor protection.
- General protection applications.
